Products for professionals

## Description:

All Purpose Cleaner is a versatile cleaner for many applications. Within the Colorline, All Purpose Cleaner is mainly used as a safe, user-friendly pre-cleaner.

## Benefits:

- Removes flies, tree sap, oil, grease and strong dirt
- Can also be used as a cleaner for nicotine deposits
- Does not attack aluminium parts such as window frames and door handles
- Is > 95% biodegradable

## Application:

A safe cleaner for the car's exterior. Removes flies, tree sap, oil, grease and strong dirt. Can also be used for the interior where it easily removes grease and nicotine stains. All Purpose Cleaner is also used for cleaning other soiled surfaces such as floors and office desks.

## Directions for use:

Mist the parts to be cleaned with All Purpose Cleaner using a pressure pump or hand sprayer.

Depending on the pollution mix between neat and 1:10 with water for correct dilution. Preferably apply to a dry surface. Leave on for 1-5 minutes. Then clean with a sponge or brush and clean water. Rinse with clean water until the dirt and soap residues have disappeared. Prevent the product from drying out. This can cause damage on sensitive surfaces. When used on interiors, always finish with a cloth soaked in clean water. Always check the product in an inconspicuous place before use to avoid possible damage. Do not use in direct sunlight.

## Tips & tricks:

- For heavily polluted car headliners, dilute All Purpose Cleaner 1:10 and treat the headliners with a Tornador Gun.
- Gebruik na het voorreinigen Splash Shampoo als handwas.
